1 West Franklin St.

November 11, 1896.

Dear Flexner

You took the cake at the walk in Hagerstown. The demonstration was A 1, and did much good. Your presentation of the subject was greatly admired. Ellis and others were talking of it on the way down.

Leave in my box tomorrow a memo of the Diener's expenses.

Yours,

(Signed) W. O.

(S. F. says: Of the letter dated Nov. 11, 1896, I have no recollection whatever. I do not know what it was I did in Hagerstown to which he refers so genially. I am so forgetful of it that if anyone had asked me if I had ever been in Hagerstown, I should have said, "Certainly not." and yet, I must have been there and performed some sort of antics.)
