Dear Pepper:-

Drummond has sent me word with reference to the pictures.
The portrait of Linacre was copied from the picture by Holbein;
Sydenham from the one painted by Sir Peter Lely; Harvey from the
painting by Cornelius Jansen, ⁱⁿ College of Physicians.

He had the same three had his Sincerely Yours,

which mounted picture for Pepper as P. advised them, Wm. Osler.

They hang in the W^m Pepper Liby of Clin Med. Hosp.
