Dear O.

Many thanks for the book. I have not a separate copy. It is an old favorite of mine. I do wish you could come on here & stay a couple of weeks. You can bkfast in bed, spend a couple of hours each day in the Lab- with Futcher & take the baby for a walk in the afternoon!

Love to your mother & sisters.

Mrs. Osler sends the greetings of the season.

Yours,

Wm. Osler.
