Dear Mr. Gilman

Yours of the 21st I found here this evening on my return from my sisters in the country. I do not see that you are called upon to aid Miss ~~Johnsten~~ in any way. Mrs. ~~Sutro~~ appeared to have an exaggerated idea of the young womans financial embarassments. I told her I would gladly subscribe to help Miss J finish her Biological studies.

I hope to see you next week perhaps in North East. I shall take Mrs. Osler to Bar Harbor on Monday. I sail on Saturday - to be absent only five weeks.

Yours sincerely,

*W. Osler*

Kindest regards to Mrs. Gilman.
