(Dr. John H. Musser - Philadelphia)

Sept. 23rd, 1898.

BALTIMORE

Dear Musser:-

I will write to Harrison at once; also to Marshall, who might be influenced by what I say. I am rather surprised to hear that he is not favorable.

Thanks for the additional list.

Sincerely yours,

WM OSLER

P.S. I did not thank you for the address, which I appreciated very much. I was very glad to hear from some one, I forget who, what an impression it made at the meeting. Thanks for the other papers too.
