Dear Thayer & Barker

Greetings!

You would not know me- hardly- after three days in this earthly paradise I have gained 5-1/2 lbs & a few cc additional Today I have been out for several hours walking over this beautiful farm, inspecting stock & mangels & instructing the farmer on new points about clover as a fertilizer. They have first class links here- greens in fine condition & my nurse suggests that I telegraph for permission to do a little putting.

I take whiskey twice & milk thrice daily & I have gathered yarrow enough for a good tonic and appetizer. I am reading Dr Lockes life & works and altogether leading a dietetic philosophical & bucolic life.

Mrs Osler & Tommy send kind regards mingled with love.

Yours sincerely

Wm Osler

P.S. I cleared my throat on Friday at 9 p.m.
