*Dr. Osler, Care Mrs. Mear,*

Dear Dr. Lamb

I hope you will be able to come over on Thursday. I shall be at the Hospital from 9-1 at my classes. Come out there and Dr. McCrae will take you to Dr. Mall's. I will call for you and take you in to lunch after you have seen the laboratory.

Thanks for your kind attention to Dr. Parfitt.

Sincerely yours,

Wm. Osler
