Dear Adami: Welch told me the other day of your trouble.*
I am so distressed to hear it, but taken early the outlook
should be good. Do give her my sincere regards and best
wishes. I have taken a memo. about the ascitic fluid** and
have told my boys to look out.

With best wishes for a very happy New Year.

Sincerely yours,

Wm. Osler.

How splendid about the new bequest! Strathcona is a trump.

* My late wife's illness.
