(Letter to Sir John W. Moore)  
Dublin  
(handwriting)

1 WEST FRANKLIN ST.

April 15th 1898 (?)

Dear Dr. Moore

Thanks for your note of the 1st. I have rewritten a section on Beri-Beri for my text book, and have referred to the Richmond Asylum and the Tuscaloosa outbreaks. I am glad to hear that you have written the section on small-pox for Wood & Co. They offered me Typhoid fever, but we could not agree about terms. I have done so much for the publishers of the systems that I now have a fixed price of L2 per page which W. & Co thought extravagant. I hope to have the pleasure of meeting you in Edinburgh.

Sincerely yours,

WM OSLER
