Dear Brown

Greetings! & best wishes for your pulmonic health! A nephew, Rev. H.C. Gwynn, of Toronto, has just developed Tub. laryngitis 8 weeks duration. No trouble evident in lungs - condition good - no fever but bacilli found. I wish him to go to the Adr. at once. I have written Trudeau asking about the Sanitarium's private rooms, but I thot it would save time to ask you to let me know of some good boarding houses - with prices, &c. Love to Oliver - I hope you are both on the primrose path!

Yours
