Dear Doctor:-

Paris

I have been asked by the General Committee of the International Medical Congress to organize the American Committee, and after consultation with the Presidents of the American Medical Association and the Congress of American Physicians and Surgeons, it has been decided that the Presidents of the American Medical Association and The Congress of American Physicians and Surgeons, and of the national societies forming part of the Congress, and the Surgeon-Generals of the Army, Navy and Marine Hospital Service should constitute the Committee.

You are hereby requested to serve on the Committee on behalf of the Society of which you are the President. You will be notified at an early date of the first meeting,

Very truly yours,

W^m Osler
