Dear Herbert

Your letter is very encouraging. I am sure the winter will put you to-rights. Every one speaks of your good progress. & moreover of your general goodness t all at the Sanitarium. Give my love to the Trudeaus. There is no one like the Doctor. I wish you would let me know about your financial condition. I should like to help this winter. Send me a brief memo. I go to Toronto tomorrow. Grace & the boy left on Tuesday. Norman is well & prospering

Your affec.
