Dear Hurd:-

We should have a meeting at an early date about the Bulletin. I have asked Mall to have a chat with you about it. I think there should be an Editorial Committee composed of you and Mall and Abel and Howell and a couple of the younger men, with Smith as secretary, to do the proof reading and to relieve you of all the worry of it. There should be not the slightest difficulty in arranging for the Medical School fund to stand some of the expense, as it has practically been the organ of the Medical School since the School started.

Sincerely yours,

Wm. Osler

I hope to take up work tomorrow. I feel quite myself today.
