Letter marked private

Recd. Feb 22 for Sub. Comm.

Dear Professor Schäfer

I have to thank you for your valued letter of yesterday.

We had a preliminary meeting of the Curators today. It seems that we are bound to advertise the vacancy.

In order to give time for applications to be lodged by men outside the U.K. we have fixed the day for receiving applications for Saturday 14th April.

I well remember Prof. Osler when he attended the Medical Congress two years ago, and I know about his work.

Yours very truly

(Signed) MITCHELL THOMSON.

21st Feby. 1900.

*Enclosure for
the Sub. Comm.*
