To Ed. Schäfer junior

Dear Schäfer,

After the receipt of your letter by this week's mail I felt that there was nothing left but to send in an application. I cannot tell you how deeply I appreciate all the trouble you have taken in the matter. I have sent in the application, and will send in a list of my published works and papers by the S.S. of the 17th, if I can get it printed in time. I think copies of ^{my} collected Reprints are in the Library of the R.C. of Physicians in Edinburgh, if not the 1st, at any rate the 2nd and 3rd series to 1897. I have sent copies of some of my general addresses to each of the Curators. Lord Strathcona and Lord Mount-Stephen would no doubt know some of the Curators, and I shall write and ask them for letters. I have to hurry with this to catch the steamer. I have been 'on the road' and very much driven. Love to the children.

Sincerely yours
WM OSLER.

We have been rejoicing too in the news from South Africa.
