Dr. Harvey Cushing,  
Peter Bent Brigham Hospital,  
Boston,  
Mass.

Dear Dr. Cushing:

As requested by the enclosed clipping I am enclosing a copy of Dr. Osler's letter to me.

Dr. Osler's letter was an inspiration to me and it encouraged me in pursuing a line of research that I am still investigating.

My brother, H. P. Jack of Hornell, often speaks of you.

Yours very truly,

*Geo N. Jack*
