Baltimore, Oct. 3rd, 1900.

Dear Mr. Coy:

I think that Dr. Savage's fee might be \$25 for the three months. I see he is a resident here in town, and will probably not be able to attend very steadily, as he has a very large practice.

I enclose copies of the letters sent to him and to Dr. Stanbery, which you can put on file for reference.

Very truly yours,

Wm Osler
