Between 2:30 - 4:30 p.m.

DR. WILLIAM OSLER,
No. 1 W. Franklin Street.

Baltimore,

October 11, 1900.

Sum

Dear Flexner:

What became of the material of that scleroderma case? I have a second series that I would like to put together in the spring, and I should like very much indeed to look over the sections of the skin, or have someone work them up.

Sincerely yours,

(Signed) Wm Osler.
