Dearest Gwen

It is desolating to think of you with S. F. & in the Isolation Hospital, tho. I cannot find out whether you are there or not. I telegraphed you yesterday there but Ma's letter to Bill of Thursday says you have not gone. I was so glad to hear that it was a mild case. I hope you will soon be all right. It will be a long imprisonment - tho. I shall try to send you some literature &c.

With much love

Your affec

Uncle W.
