

(J. H. Medical School - Howell)

CU5417/97.36

Dr. William Osler
No. 1 W. Franklin Street

Baltimore
May 20th, 1901.

Dear Howell:

Could we not have the meeting of the Faculty on Thursday a little earlier? I have a long standing appointment in Philadelphia Thursday evening, which I cannot avoid, and for which I must leave at 4.20. I could cut my office hours altogether and join you at three, or any time you say.

Sincerely yours,
Wm. Osler
