Dear Sir

In reference to your inquiry as to
the authorship of the Exam. paper on
Order, I am told by Dr. Ed. Gates
who was then Editor, that the paper
was devised by Dr. Scott, at that
time at St. Thomas, since death
of pneumonia during the war (Jan 6, 1918
on active service)
His initials however were S. G. and
not D. M. I enclose Sir W. Osler's
letter to Dr. Gates, which he would
like to have back, his address is
5, Barwood Place, London W. 2.
If I can assist you in any other way
I shall be delighted.

Yours truly

Charles R. Box
