(handwritten)

Dear Musser

Delighted! I shall try to catch the steamer & telegraph you to come to 40 Charges St. Picadilly directly where you will find Dock & me. I have sent word to the *Treyn Secretary* (?) that you are coming & to send all your invitations to Morgan & Co. I wish you were with us here. We have had a delightful visit. Spent two days with old Boerhaave in Leiden.

Yours,

W.O.

Mrs. O. *Send* love.
