Dear Musser

So sorry that you are late. Many have been asking for you. Your paper was too late to go in the list. Your letter was forwarded to me at Ostend on Tuesday so that I did not see Thunsen until Monday. Where shall you stay? Dock & I are at 40 Clarges St., Piccadilly a private hotel very quiet & comfortable. Shall I get rooms for you there or would you prefer to go to one of the larger hotels. Telegraph when we are to expect you.

Sincerely yours,

W. Osler.
