Dear Packard

I shall send you in a few days - unless you send word that you already have one - a review of Foster's recently issued Lectures on the History of Physiology, which form a most interesting contribution. It will take a couple or 3 pages.

Sincerely yours,

W Osler

Love to Fred.

J.C.~~

~~J.M.C. met them in N.Y. J.R.O. & Revue spent night in Allamore  
Hotel N.Y. - "first night he ever slept" welcome his "which is which"  
see luggage to Penn. station - we went home several J.R.O.s times to Wickesburo. He had  
fragments & became acc. thro' to Balt. He must have gone up late to see them etc.~~
