Dear Mr. Coy:

I think you should have a book, and ^{make} note about all these students who have retired on account of illness. In a case of this sort it would be well to find out what sort of a place 1022 N. Broadway is, and whether there have been any cases of tuberculosis there.

Very truly yours, *W* *OS*
Wm. Osler

Have you a complete list of the graduates of the school and ^{those who are} the teachers. Miss Wykoff is in practice at Wilkes Barre. Get the N. Y. men i.e. those in the Hospital for last years class.
