Baltimore, May 3rd., 1902.

Dear Miss Charlton:-

Glad to hear you like the Bulletin. I will have a couple of extra copies sent to you. I think we should keep it strictly a library affair, but think a description of the library at McGill would be a good thing. I hope you will be able to come to the meeting, which will be at Saratoga Springs in June.

Sincerely yours,

(Signed) W.Osler.
