Fr. W.O. to J. George Adami, 1902

1, W. Franklin St.,
Baltimore,

June 4, 1902.

Dear Adami,

No, I do not think I would bother to publicly announce my absence. It does not make a bit of difference. I am glad you are not going to be present. (x At N.Y., The Congress - J. G. A.)

I am all right. I had a schnupfen, which got into my frontal sinuses, and laid me out for a week. I shall have a goodrest this summer, and the address at the C.M.A. will not take much time.

I will consult Allbutt about the other matter. I shall be writing him in a few days, and I think we could put things in good shape.

Love to little Mary Cantlie.

Sincerely yours,
WM OSLER.
