(To Dr. Franklin P. Mall)

(Handwriting)

1 West Franklin St. (Baltimore)

Dear Mall

I had a set-back on Friday night & have been in bed Saturday & most of yesterday - very glad to be so as I have not for years enjoyed a book so much as Kussmauls reminiscences. It is perfectly delightful. There has been nothing so good that I know of in the way of Medical autobiography. I am much indebted to you for it

With Kind regards

Sincerely yours

[Jugendinnerungen 1902]
