Dear Brown:

Did you get some papers from Mr. Jones to sign about the death certificate and the undertaker's certificate in the case of Mr. Osler? If they are ready send them back to me. As soon as the affair is settled I want to send a little present to those you mentioned.

Sorry to hear you have been laid up. I hope you are all right again.

Sincerely yours,

W^m Osler

P.S. (handwriting)

I forgot to add the dollar for the notary to the check - so enclose it separately. B. O. Humpton.
