Dear Brown

Yes I will take the policy off his hands in any way you like to arrange. Just let me know. You had better get power of attorney to act for him or settle it, as the poor chap wishes so that he can be made comfortable. I am shocked to hear of Trudeaus illness - do let me hear where he is. I have many friends on the coast & should like to telegraph them if he is anywhere near. I do hope he will be all right.

Sincerely yours

W^m Osler
