~~To Miss Frieda C. Thies~~

Dear Miss Thesis

How many have subscribed to the Volume which Dr. Cordell is preparing?
Did you & Miss Noyes send out postal cards to all the members of the
Faculty who had not yet subscribed?

I hope you are not overworked. You must get a good holiday when your
"chiefers" comes back. Mr. Locke writes that you are all very kind to
him - many thanks.

Yours sincerely
W^m Osler
