No. 30
(Letter to Dr. C.N.B. Camac)
(typewritten)

Sept. 30th, 1902.

BALTIMORE.

Dear Camac:-

Glad to have your note. My cold is all gone, and I am in very good condition. I will try to send you before long a copy of a circular letter about our meeting.

We enjoyed your visit at Murray Bay very much. Do not forget that I have an engagement with you at Mrs. Lockwood's to have a cup of tea.

Love to all at home.

Sincerely yours,

WM. OSLER
