Dearest Gwen

I hope you & Bea are keeping well & fat & that Mother F. has got the better of her knees. I had no idea that Gwyn was to be married so soon. Are you la~~s~~ses to be bridesmaids? In any case you will need new dresses for such a festive occasion. Consult Maysie about them & if she thinks fit, have Madame make them. Bill to Dr. Osler! Aunt Grace is better today - but she has cofed & cofed & cofed. Can you hear her whoop thro. this writing, it just gave me a shudder as I heard it. Poor Ike is sure to catch it

Love to all

Yours

W.O.
