Dr. William Osler,

No. 1 Franklin Street, West.

Baltimore, Feb. 10th, 1903.

*Just.*  
Dear Dr. Pratt:-

Will you please send me the exact title of the lecture which you are to deliver to the post-graduates here in the spring? If you sent it to Dr. Osler it has been mislaid, and the registrar is asking for it.

Very truly yours,

Olean Humpton.
