Dear Chadwick:-

Many thanks for the books. I shall be very glad indeed to keep the Aikin and the Mitchell, neither of which I have. The Larrey we have not in the Library, and shall be glad to have it. I should like the Jackson Text-book very much. I have his Memoir of James Jackson, Jr., but if you are giving away a copy I should not mind having a second copy to put in the hands of some fellow who will appreciate it.

Sincerely yours,
