(W.O. to H.A.Lafleur)

Baltimore, May 20th, 1903

Dear Lafleur:-

I never noticed it, and I am not quite sure even that you made the mistake.

Revere went off yesterday to Boston in very good spirits. Thanks for thinking about the dog harness for him.

Send on a postal card, please, the date of your B.A. degree at McGill. I will have your name put up at once at the Club and will get Welch to second it.

Sincerely yours,

W^m Osler
