Dear Thayer.)

Thanks for your nice long letter & for the 3rd year lists &c. I am glad that some of the men were conditioned & warned - 'twas needed. Hamman seems an A.I. fellow. We can recommend him in Sept. tho. properly all the new nominations should come before the Trustees in June. I am very sorry Calvert has gone to Columbia 'Twill not be for long. The conditions there are hopeless, I understand. Why the d- did he not wait in St Louis. What a bomb - Flexner's engagement was! His intimacy with the Thomas always seemed remarkable, considering that it was not very evident in B. ~~Miss Margaret is a fine girl I believe.~~ they will be happy, I am sure. He deserves a good wife

I had a most interesting visit in Paris & saw much that was instructive Marie was most kind - also Raymond & Dejerine. Mr. Phipps has promised another \$10,000 when needed. We must take this chance to get the out-patient Dept. thoroughly remodelled, & a separate Tub. Clinic established. I dare say Mr P. will do anything we ask. A model O - P. Dept. for the disease would be a great addition Think over plans. The waiting room - general, is all right but the rooms should be remodelled & rearranged. I have written to the Trustees about it. We are in a comfortable little cottage here. I am loafing. - We have found a good sailor who takes us in a big boat three or four times a week. The weather is heavenly - the coast, perfection & the bathing just right I am mahogany colored. Mrs Osler still coughs & wheezes, - there is a sort of asthmatic condition left - most distressing at times. She is better now.

Love to Sister Susan.

Yours

W Osler
