Piccadilly, W.
Aug. 21. (1903)

Frederick Jackson

(*Chas. W.*)

Dear President Eliot,

Your letter reached me here a few days ago. Early in May would suit me best, I cannot give you the exact date until I hear from Paris as to the date of the Third International Congress on Tuberculosis, which I have promised to attend.

With kind regards.

Sincerely yours,

(Signed)

Wm. Osler.

P. S. I shall be back Sept. 23rd.

President Charles W. Eliot,
Harvard University,
Cambridge, Mass.
