To Dr. Geo. Dock "preparing The Master Word"

1 West Franklin St.

Sept 25th 1903 [Suffester]

2. Dr. Geo. Dock
Dear Dock,

Your letter of the 22nd only reached me at noon today just after my return. We had a delightful trip back, five fine days out of seven. Revere and Mrs. Osler enjoyed it so much. The latter is better tho she wheezes occasionally, particularly if she has been exposed to the wind. She spent two weeks at Harrogate - ^{Harrogate}horrogate she calls it. The sulphur did her good I think. We went to Scotland for ten days, part of the time with the Phipps - of the Phila. Phipps Institute for Tuberculosis. He has twice sent his boys to consult me & this summer, as perhaps I told you, sent me most unexpectedly \$10000 to be used in the Tuberculosis work of the Hospital & has promised an additional \$10000 when called for. Such a man deserved encouragement so we visited him & found the whole family most delightful. I have returned laden with treasures for the Med-Chir & our J.H.H. Library - a few good things for I.W. Franklin. The day before I left I picked up the 3rd. Ed. of the G.H. Cane, (Munks Edition) which had belonged to either Risdan Bennett or B.W. Richardson. It is illustrated with 110 engravings &c. What edition of the G.H.Cane have you? I am trying to 'sweat out' an address on "The Master Word in Medicine" (work, of course) for Toronto next week. The opening of some new Buildings. I hope you are in good form. Love to Mrs. Dock & the chicks.

Sincerely yours

W^m Osler
