No. 45  
(Letter to Dr. C.N.B. Camac)  
(handwriting)

Sunday

1 WEST FRANKLIN ST.

Dear Camac

I sent you a letter on Friday eve. asking you to come to the club on Saturday morning for a brief chat. I fear that I sent the letter to E. 64th. I could not come around as I had another meeting & had to leave at 10.30

I do not think that I have a copy left of the Chauvinism paper. I could ask Miss H. to look it up. I hope she has sent you the Toronto address - the Master word in medicine

I want to have all the old Hopkins men at dinner one night at the club before long - what eve is the best likely to be pre-empted.

Yours ever

W. O.
