Dear Martin

[Bladder]

So sorry to hear of poor B. What a sad time he is having -
Please ask Campbell or Murray - one of the florist/s, to send him a fine
bunch of roses & let me have the memo. What an anomalous condition ^{is it?} Do
you suppose it is all bladder? not likely I should think with these
symptoms. Give him my love & best wishes

Love to Bill - tell him I am just off to Milwaukee to put a bung
in Mr Pabst.

Yours ever

W. O.

I will look after your endocarditic honeymooner!

~~And four days later to the same.~~

It does be funny a week ago by without a note to Martin "Do let me hear how Bladder is"
a note in December "What about Bladder - do send me a line and give him my love and
best wishes" - and mine his are found necessary.

so on
