Fr. W. O. to J. George Adami, 1903.

1, W. Franklin St.,
Baltimore.
December 22, 1903.

Dear Adami,

Yes, do take up that subject. We shall all be very delighted to hear you on it. The other speakers are Drs. Flick, of Philadelphia, Ravenel, of Philadelphia, Salmon, of Washington, Knopf of New York, and Mr. Frederick Hoffman, of Newark, N.J.

I am very much interested in what you say of the pleuritic adhesions. I am just getting our pleurisy cases analyzed.

I think we shall have a very interesting meeting. We shall, of course, expect you to stay with us."

Sincerely yours,
WM OSLER.
