(Letter to Edward Milburn, Esq.)
(typewritten)

1 WEST FRANKLIN STREET.
Baltimore. Md.

Dear Ned:-

I will let you know when I hope to be in Toronto. It is somewhat uncertain at present. The newspapers have taken my chloroform joke altogether too seriously. I am surprised and mortified at it. I thought there was a greater sense of humor in the community.

Give my love to your wife and daughters,

Ever yours,

WM OSLER

chloroform remark - E.F.M.)
