No. 63  
(Letter to Dr. C.N.B.Camac)  
(typewritten)

April 5th, 1905.

1 WEST FRANKLIN STREET,  
BALTIMORE.

Dear Camac:-

Many thanks for your clipping. There is always sure to be a reaction, and meanwhile I have been quite content, feeling that, at least, my friends have appreciated my point of view. Mrs. Osler will be stopping with the Conynghams at the Waldorf on Saturday on her way north to say good-bye to my mother. She said a few minutes ago that she would try to see you and Mrs. Camac.

Sincerely yours,

WM. OSLER

(AFTER THE ADDRESS ON OLD AGE WHICH  
CAUSED SO MUCH DISCUSSION OF NATURE  
UNPLEASANT & TRYING TO DR. OSLER)
