

April 11 1905

Club —

and they were willing to give him something on his departure and in
some instance his departure toward the life and of the Club.

by the ship of fire

the company you forboreless in Ballot was written somewhere
a copy of Voltaire's La Henriade presented by Dr. Silva his dear friend,
Mynor to Louis XV will inscribe by Voltaire a fly leaf. Burnt by Padeloup
presented by V. to Drs.

To Dr. Sales.

Yours overrates in the ship of goods

Drunk to your health and offer you
This product of the pen and tools
Of Voltaire and of Padeloup.

A favous leech receive it then,
And now once more it feels content
Because in you it finds again
An owner no less eminent. /

Obscurer gives him the game
We find our present from his fast;
So many year, since one not in small
For his first & verse cordone one last

Welt Preller non partage
(Voltaire)
