Dear White

Please tell Mrs. Abbey that I had a most interesting visit at Whitney. I found mine host of the Fleece a very good fellow, who told me all the gossip of the town & showed me the way to Coggs Church. I attended Vespers - ask Mrs. White what that word means - and made one Theophilus among six Dorcases - one of whom, dear soul! near whom I sat, discreetly skipped from verse 5 to verse 19 of the six Psalm, - from which you got your favorite execrations!

I met my nephew at 6<sup>19</sup> full of enthusiasm over his visit. Do thank Abbey for his kindness to him. I will see you tomorrow evening.

Sincerely yours,

W<sup>m</sup> Osler
