(Mr. Henry Phipps)
(handwriting)

(1905) Sunday

7, Norham Gardens,
Oxford.

Dear Mr. Phipps

Would it not be possible for you to come for the day to us before you sail - Mrs. Phipps too? It would be such a pleasure. We had a delightful week in Paris Drs. Flick, Walsh & McCarthy were good representatives of the Institute. We have secured the next meeting - three years here- for America.

Sincerely yours

Wm Osler
