Dear Shattuck:-

Do let me know about a subscription to the portrait. I am glad there is one from which a copy can be made, though, I think Lockwood could do a very good one from a photograph and his personal knowledge.

We sail on the 16th of December and I hope to reach Boston by Christmas.

I will, of course, come in and see you soon after arriving.

With love to the family,

Sincerely yours,

W Osler.
