Toronto.

3rd. (Jan. 1906)

Dear Parfitt

So glad to hear from you and of you today from White. I wish I could have seen you also. I look forward to a visit to G. in August. We will have a great meeting. I am off in the morning to Baltimore to spend a month with the boys.

Ever yours,

Wm. Osler.

Greeting to your wife and best wishes for the New Year.
