The Johns Hopkins Hospital,

NORTH BROADWAY.

BALTIMORE, Jan. 12th, 1906.190

Dear Fisher:-

I am so glad to hear that you have not got the Editio Princeps of Galen. I picked it up at auction the other day at Sotheby's. It is a fine copy, but it needs rebacking. This I will have done and then send it out to you. Have you London agents who send you out books? They might forward it to you.

I hope to see you next week.

Sincerely yours,

WOsler
